1. Call to Order:

Chairman; R. Campbell called the Bay Area Water Treatment Plant Technical Advisory Committee meeting to order at 9:00 a.m.

2. Roll Call – Members Present:

Ron Campbell (Chairman)
George Augustyniak
Glenn Rowley (Vice-Chairman)
Bob Dion
Terri Close
Craig Goulet
Brad Eddy
Bob Pawlak

Alternates Present:

James T. Meier
Marty Jurish

Others Present:

Ryan Goebel
Crystal Jacobs
Carl Overly

Partners Absent:

Bay County Road Commission
Merritt Township
Charter Township of Williams
Beaver Township
City of Pinconning

3. Pledge of Allegiance:

The Pledge of Allegiance was recited.

4. Approval of Minutes:

Vice-Chairman; G. Rowley motioned; C. Goulet supported the approval of the June 4, 2026 minutes as presented. The motion passed unanimously.

5. Public Comment:

None

6. Superintendent Report:

Superintendent; C. Overly displayed the June daily flow averages for treated water. The details of the June water temperatures, chemical treatments, and treatment processes were displayed and reviewed.

Carl mentioned that the month of June saw some challenging raw water and disinfection byproducts. Although the numbers were typical of late summer instead of Spring, they were within acceptable limits.

G. Augustyniak asked what disinfectant is used to treat the water.

The interior coating of the Williams Tower was completed, and the tank was put back into service in early June. In addition, the water level sensor was switched from a system using pressure readings to one using overhead radar. This provides a more accurate, smoother reading.

The Bay City Tower was taken out of service on 6/8 for an external coating. We should see it back into service around 7/20 and it should take a couple of days to fill.

G. Augustyniak inquired on the age of the tower.

T. Close asked how much water the Bay City Tower holds.

On June 17 we responded to an Air Quality Violation due to an oversight in obtaining a permit from original plant construction. On June 26 there will be a preapplication meeting and we should be in good standing. It should take 3-4 months to review.

Staffing updates were provided.

Director Report:

Director; R. Goebel reported that the Bond Sale took place on June 11. 7 bids were received and the sale was awarded to Raymond James & Associates. The money was deposited on July 1. A pre-

construction meeting will take place on July 8 with engineer and contractor and we will hopefully see some digging in August.

7. Other Matters:

None

8. Public Comment:

None

9. Adjourn:

C. Goulet motioned; G. Augustyniak supported to adjourn the meeting. The motion passed unanimously. The meeting adjourned at 9:17 a.m.

Respectfully submitted,

Crystal Jacobs

WTP Secretary
